

ELECTUS INTERNATIONAL INKS FORMAT DEAL WITH LONE EAGLE ENTERTAINMENT TO DEVELOP *THE TOY BOX* IN CANADA

Los Angeles, CA (June 12, 2017) -- Multimedia entertainment studio Electus, an operating business of IAC (NASDAQ: IAC), today announced that Electus International has closed a format option deal for the hit series *The Toy Box* with Lone Eagle Entertainment to develop and sell the format in Canada. The deal comes on the heels of *The Toy Box*'s success in the U.S. and Canada; the series recently wrapped its debut season on ABC and CTV, respectively.

The Toy Box is the ultimate toy competition series, providing expert designers with the chance of a lifetime: an opportunity to bring their toy concept to life with industry giant Mattel. The toys – and their inventors – are put through a series of trials and tests before facing the ultimate judges: a panel of no-nonsense, toy-loving kids.

“With the support of world-renowned toy brand Mattel, the buzz and excitement around the format is growing very quickly,” said Max Richards, Director, Sales and Acquisitions & Head of Sports at Electus International. “We’re excited to work with Lone Eagle to bring the series to Canadian audiences.”

“*The Toy Box* is an innovative new series that makes for great co-viewing for the whole family” said Mike Geddes, President of Lone Eagle Entertainment. “A Canadian version is sure to be a hit in our market and we look forward to working closely with Electus and Mattel.”

The Toy Box was developed by Hudson Media, Mattel and Electus.
